

NEIGHBORHOOD MEETING

Tuesday, November 19

6:30-8:00 pm

Street parking is getting scarce on NE Killingsworth and Emerson Streets. Join your neighborhood association for a discussion on how we could better manage parking in our area.

Portland Bureau of Transportation staff will share the parking strategies in use around the city and take our questions and suggestions on what could work in Cully.

Tri-Met will share plans for improved bus service and a possible new station coming to the Cully Triangle.
